# RETURNING TO WORK / OFFICES AFTER COVID-19

This period of disruption has presented many challenges for businesses, every industry has been affected by the Coronavirus outbreak, no business has been immune to its impact.

Within the coming weeks UK businesses will slowly be allowed to return to work. However, business will not be as usual. Companies will need to follow government guidelines and require numerous health and safety products to ensure the safeguarding of their staff and customers. Businesses will need to highlight social distancing and hygiene practices in office and inform staff of new policy changes, likely to be practised until the end of the year.

# RETURNING TO SCHOOL CORONAVIRUS ESSENTIALS

The Coronavirus outbreak has majorly transformed school life for parents, teachers and children. This period of disruption has presented many challenges for the education sector, from safeguarding children to supporting parents and maintaining teachers well-being.

Soon, freedom of movement will allow the country to slowly return to normality, with institutions and schools gradually reopening. However, it is unlikely to be learning as usual, with social distancing and hygiene measures likely to be practised until the end of the year. This means schools will require numerous health and safety products to ensure the safeguarding of their staff and pupils.
