How it Works

Pay even less for your travel each week by purchasing a yearly ticket but paying for it monthly with a direct debit

There's no set up fee and no minimum contract, which means that you can cancel your direct debit at any time should your circumstances change.

This makes it an ideal way to get reduced bus travel for the year without having to pay upfront.

Payments are taken on the 1st or 15th of each month. The nearest direct debit date will be the default option available to choose

Please allow at least two weeks to register before the date of your first direct debit payment. I.e. for payments on the 1st June please register by 15th May

- For DD payments on the 1st of the month your first ticket is dispatched the following week and will commence from 12th of the month.
- For DD payments made on the 15th of the month your first ticket is dispatched the following week and commence on 27th of each month.
- Thereafter your ticket will rollover every month
