Our Colchester BID SHOP FRONT IMPROVEMENT GRANT SCHEME INFORMATION PACK

These guidance notes are provided to help you understand the aims of the Shop Front Improvement Grant Scheme and how you can make a grant application.

ABOUT

Shop fronts are the most conspicuous part of a building's façade. They make a big impact on the appearance of a city centre. They contribute to people's first impression of a city and their condition affects a city's image. High quality shop fronts make a town feel more welcoming to locals and visitors, improve its image, contribute towards a stronger sense of identity, and, importantly, encourage a greater number of shopping visits.

The shop front improvement grant scheme aims to improve shop fronts in selected areas as a means of supporting the growth of local businesses, improving the local environment, and raising the image of the city centres amongst locals and visitors.

The grant scheme is funded through two funding allocations. These are through the Business Improvement District (BID) and the Levelling Up Fund (LUF). The total amount available for funding through this scheme is £121,000. £96,000 of this budget is allocated to businesses/properties on St Botolph's Street, Osborne Street, St Botolph's Circus, Short Wyre Street & Priory Street (part) as part of the LUF with the remaining £25,000 available to independent levy payer businesses & Friends of the BID within the BID area. If you are not a levy payer or Friend of the BID, please contact hello@ourcolchester.co.uk as we have a variety of alternative shopfront improvement schemes available.

WHO CAN APPLY?

All businesses with premises located within the Our Colchester BID area (see the map on page 3 for reference) who are looking to fix, upgrade and improve their shop frontage and shops that have been vacant for a minimum period of 6 months are eligible to apply to the fund. Lease-holders with a commercial shop-frontage in Colchester city centre have to have at least 3 years remaining on their lease.

Examples of eligible commercial premises include:

- Shops (including hairdressers, beauty salons, funeral directors, laundrettes, dry cleaners and post offices)
- Financial and professional services – e.g. banks, building societies, estate agencies, professional and financial services
- Restaurants, public houses, cafes and food takeaways
- Both tenants and building owners can apply.

If you are unsure whether your business will qualify for a grant, you should contact the scheme administrator via projects@ourcolchester.co.uk.

AVAILABLE FUNDING

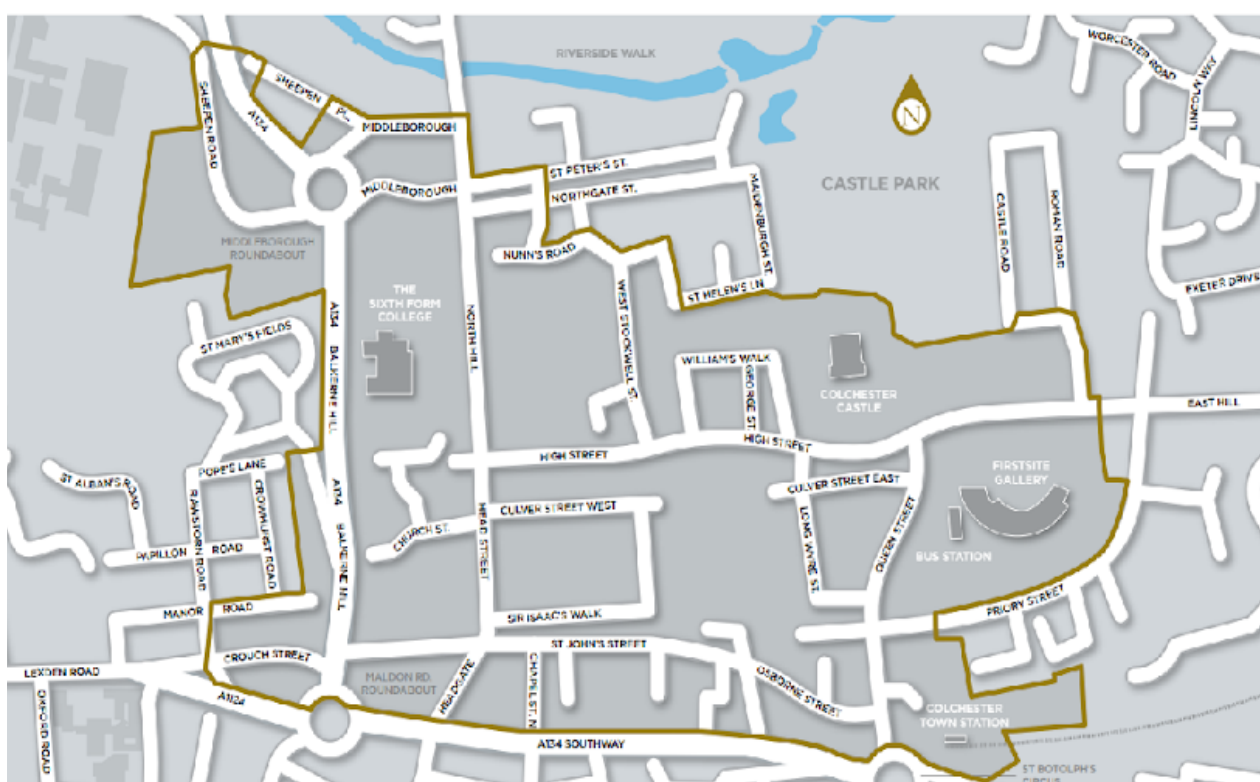

The scheme will provide funding up to a limit of £3,500 which must equate to 85% of the cost of delivery works. The other 15% must be covered by your business. Applicants will be asked to provide proof of

this.

Grants are discretionary and subject to availability of funds. The inclusion of a building within the eligible area does not give any automatic entitlement to a grant. The scheme will not support works which have already been undertaken or any works which are started prior to a formal offer of grant funding being made.

There are a limited number of grants available so where the scheme is oversubscribed, a system of prioritisation will be put in place. In such cases priority will be given to improvements that would be seen to have the most impact. Subject to availability of funding, applications for funding must be made by 6th June 2023 12pm. (works must be completed by 1st October 2023).

WHAT WILL THE SCHEME FUND?

- Repair and reinstatement of all or any part of a shop front fixture that is visible from the street, including the first and second floors of premises where they are used for commercial activities.
- Repainting of shop fronts.
- Repair and reinstatement of guttering and down-pipes.
- Pedestrian access improvements compliant with the Disability Discrimination Act.
- Signage.

“Like for like replacement is a repair (except in the case of listed buildings in some instances) but alteration is the introduction of new fabric or modification of existing fabric to a different design to that which existed previously. The comprehensive replacement of fabric even like for like may constitute an alteration in the case of a listed building where historic fabric may have intrinsic historic significance.”

The scheme will not support:

- Improvements to residential property, including residential property located above commercial premises.
- Retrospective applications i.e. for work already completed or underway Structural repairs including re-roofing.
- Internal repairs and alterations
- External security features
- CCTV systems Recoverable VAT

IN ORDER TO CONSIDER YOUR APPLICATION, WE REQUIRE THE FOLLOWING:

- Completed Application form.
- Schedule of works – giving full details of the improvement works that you intend to carry out.
- Proof of ownership/lease - If you do not own the property, you will need to provide proof that you have permission from the owner to carry out the works. The building owner must countersign your application to show that they have given permission for the works to be carried out.
- Copies of any statutory consent notifications (e.g. planning permission)
- You **MUST** consult with the Colchester City Council to establish a need for Planning Permission/ Listed Building Consent/ Conservation Area Consent and or Advertisement Consent.
 - (If consent is needed you will be required to obtain it before a final grant offer letter can be sent out to you).
- Photographs showing your current shop front.
- Sketches or design proposals showing the proposed improvement.
- Your business will be located in a Conservation Area and it is important that any changes are appropriate and sympathetic to its character. The control over advertisements in these areas are stricter and we require that any signs are in line with the Advertising Regulations and Shopfront Design Guidance guidelines. You should consult your designs with the Colchester Council.

- Quotations obtained.
- Bank statement
- Proof of up-to-date levy payments
- Breakdown of costs

PROCESSING YOUR APPLICATION

We will make a decision on your application within four to six weeks of receiving a complete application. Applications will be considered by a panel from Our Colchester BID's selected partners. All grant offers will be made in writing.

HOW WILL THE GRANT BE PAID

The Grant will only be paid directly to the business on submission of receipted invoices and upon satisfactory completion of the outlined work.

Claims of eligible expenditure incurred must be supported by a fully transparent audit trail traceable through invoices and bank statements (the improvements are not to be paid in cash).

WHAT DOES THE PROCESS ENTAIL?

- Submit the application form detailing proposed improvements, estimated costs and supporting evidence.
- Your application will then be processed and assessed by Our Colchester BID selected partners.
- Either a provisional grant offer will be made or alternatively the applicant will be advised that a grant will not be made available for their project. The reasons will be outlined for that decision.
- If you are eligible for a grant, you will need to receive consent for the necessary statutory permissions (where required and unless already provided).
- A final grant offer letter will be sent out once Our Colchester BID has received and approved the following:
 - Drawings / Schedule of Work
 - Planning Permission / Advertisement Consent / Listed Building Consent / Building Warrant (where required)
 - Satisfactory quotes for the works from independent contractors
- At the same time as accepting the final grant offer, you will be asked to enter into an agreement with Our Colchester BID setting out the terms and conditions of grant. A copy can be made available in advance.
- Physical works for the property are expected to commence within two months and be completed within six months of acceptance of the final grant offer. Our Colchester BID reserves the right to rescind the offer where these timescales are not met.
- Grants will be paid on production of invoices from contractors showing a detailed breakdown of cost and following satisfactory inspection of the works.
- Following completion, you will be required to maintain the property to a satisfactory standard for a minimum of three years.
